Webcast ASCRS Annual Meeting May 15-19, 2010 Minneapolis, MN

Dear Presenters:

We are pleased to inform you that the ASCRS 2010 Annual Meeting will be webcast. ASCRS will make the scientific sessions available through the ASCRS Website and this will include speakers' presentations as well as their **slides/videos**. Please be reassured that slides will be webcast in such a way that they will not be able to be downloaded and, therefore, participants will not be able to transfer the files into their own computers. However, this enhancement to this year's meeting will enable you to deliver your message to a far bigger audience than will exist at the physical meeting.

If you choose to hand your POWERPOINT PRESENTATION at the meeting rather than submit it electronically (see attached Guidelines for Electronic Presentations), you must provide your POWERPOINT PRESENTATION, on a USB Flash Drive (thumbdrive/jumpdrive), Data DVD/CD, Compact Flash, SD with your business card; include your podium number (if applicable) and time/day of your presentation to the Technician in the Speaker Ready Room either the day before your presentation or at least "8" hours prior to the start of the session in which you are speaking.

On behalf of the ASCRS Executive Council and the Program Committee, we thank you for your cooperation and look forward to hearing your presentation. **Please sign and submit the form below.**

Sincerely,

James Fleshman, MD, President

Matthew Mutch MD, Program Chair

Steve Hunt, MD, Program Vice Chair
